Section C: Coverage Elections

INSTRUCTIONS: *In this section, the Former Employee must elect the coverage amounts (Basic and/or Voluntary Life) they want to continue under a Portability option in the group policy. Basic coverage is coverage that the Employer provided at no cost and Voluntary coverage is `supplemental' coverage the Employee was paying for through payroll deductions.*

Portability on the Basic and/or Voluntary coverage varies by Employer and may not be one of your options. Age and Policy Plan limitations may exist which could limit your and/or your Dependent's eligibility to continue coverage with Portability. If you or your Dependents do not meet the age, or other requirements for Portability, you may be able to convert this coverage to an individual whole life policy offered by New York Life Group Benefit Solutions (NYL GBS) at the time. Please consult your Certificate of Insurance.

Each person coverage is being elected for, must have had coverage under the group policy.

IMPORTANT COVERAGE NOTES:

You may keep your coverages the same, decrease or increase, as available in the policy. If Increases are available in the policy, they are subject to proof of good health and approval by the insurance carrier.

If a Terminal Illness Benefit (TI) was paid under the group policy for any coverage listed for an insured, the full amount of group coverage without the TI reduction must be completed on this application to receive the remaining balance.

Any age-related reduction provisions that were in the group policy, may continue to apply. The Conversion Privilege related to any partial loss of coverage remains subject to the terms of the group policy.

Please check your Certificate of Insurance or contact us at the number located at the end of this application to help with any of these questions.

Section D: Beneficiary Designations

INSTRUCTIONS: *Any beneficiary designations which you made under the group life insurance policy will not automatically carry forward.*

If you designate contingent beneficiaries and do not designate percentages, proceeds are paid to the surviving contingent beneficiaries in equal shares.

If electing two or more beneficiaries for one Insured, the percentages must equal 100%.

How Do I Get Billed?

Portability has standard due dates on the first of January, April, July or October. If your effective date does not align with one of these months, your initial bill may be higher. Electronic Fund Transfer (EFT) for monthly payments is also available once your certificate is current. Thereafter, you will receive your bill approximately 30 days in advance of the due date. To keep your coverage in force, you must pay your premiums as required.

When Does This Coverage End?

Coverage will end as provided in the Portability Option of the group policy. Age-related termination of coverage may apply. When your coverage under the Portability Option ceases (for reasons other than non- payment of premium), you may be able to convert this coverage within a specified timeframe to an individual whole life policy then offered by the Insurance Company (see your Certificate of Insurance for details).
